Q: Do we accept insurance for the test?

A: The cost for the test is \$99 with or without insurance. If you have insurance, we can submit your insurance information to the lab if you would like for us to test for other respiratory viruses.

Q: How many patients do you accept for testing daily?

A: We currently do not have a limit on how many patients we see.

Q: What are the hours of the testing site?

A: We begin testing at 9:00 AM and end testing at 5:00 PM

Q: What are the requirements for being tested?

A: We follow the CDC guidelines when determining if you need a COVID test. If you have been exposed to a person who is positive for COVID-19, or are exhibiting a fever, dry cough, Shortness of breath, runny nose, or a sore throat you qualify to be tested. Also, if you are traveling, some states and countries require that you get tested prior to traveling.

Q: What type of testing does your facility preform?

A: We preform testing utilizing a PCR test. PCR testing looks for the presence of a virus's genetic material. PCR testing is 99% accurate and provides results within 24 hours of testing.

Q: What do I need to bring with me for the test?

A: Masks are required to be tested at our drive-through testing clinic. During our pre-screening process, you will be asked to provide a copy of your photo ID and insurance card.

Q: What do I need to do upon arrival to the clinic?

A: There will be identifying signs pointing you to the drive through testing site. Please follow all signs and enter the line to be tested.

Q: How can I sign up for testing?

A: Please give our office a call to begin the Pre-Screening process for COVID-19: 205-379-7020
